

THE UNIVERSITY OF MEMPHIS The Department of Chemistry invites applications for an Assistant Professor of Teaching. The department is especially interested in candidates who have Chemical Education Research expertise and capable of teaching in undergraduate chemistry divisions such as, but not limited to, Analytical Chemistry, Biochemistry, or Organic Chemistry.

Applicants should submit a curriculum vita and arrange to have three letters of recommendation submitted on-line at <https://workforum.memphis.edu/postings/40135>. Screening of applicants will begin on May 1, 2024 and may continue until the position is filled. The proposed start date is August 19, 2024.

The University of Memphis is an Equal Opportunity/Affirmative Action employer.
