

**CALIFORNIA STATE UNIVERSITY, EAST BAY
TENURE-TRACK ASSISTANT PROFESSOR
PHYSICAL/INORGANIC CHEMISTRY**

The California State University, East Bay Department of Chemistry & Biochemistry seeks to fill a tenure-track position in Physical or Inorganic Chemistry at the level of Assistant Professor beginning Fall 2018. A Ph.D. (or foreign equivalent) in Chemistry or closely related field, and graduate training in Physical Chemistry are required. Both postdoctoral research experience and teaching experience at the university level are preferred. Teaching responsibilities for position #18-19 CHEM-PHYSICAL/INORGANIC-TT will consist of lecture and laboratory courses in both Physical Chemistry and General Chemistry, and additional courses at the undergraduate and graduate level close to the applicant's area of expertise. The successful candidate will have a strong commitment to teaching and will be prepared to establish an externally funded research program for B.S. and M.S. degree students. **For full details and to apply, visit apply.interfolio.com/42008.** Questions can be directed to the Dept. of Chemistry & Biochemistry, (510) 885-3452, or to michael.groziak@csueastbay.edu. CSUEB, an Equal Opportunity Employer, is committed to the principles of diversity in employment. Review of completed applications will begin October 9, 2017 with the position remaining open until filled.
