

INDIANA UNIVERSITY, BLOOMINGTON

**TWO ASSISTANT OR ASSOCIATE PROFESSORS
IN CHEMISTRY, OPEN AREA**

The Department of Chemistry at **Indiana University** invites applications for two positions in **any area of chemistry** to begin August 2018 at the rank of Assistant or Associate Professor.

Candidates with research interests related to biological problems are encouraged to apply. A Ph.D. in chemistry, biochemistry, or a related field and postdoctoral experience are required. Successful candidates will be expected to develop or already have a visible, externally funded research program. Primary teaching responsibilities will be consistent with the expertise of the successful candidate and will include both graduate and undergraduate courses. Applications completed by Oct. 15, 2017 will receive full consideration, but the review will continue until the position is filled. Interested candidates should submit a complete *curriculum vitae*, a summary of future research plans, and arrange to have **three** letters of recommendation to be sent to (<https://indiana.peopleadmin.com>). Questions regarding the position or application process can be directed to: Professor David Giedroc, Chair, Faculty Search Committee, Department of Chemistry, Indiana University, 800 E. Kirkwood Ave., Bloomington, IN 47405, chemchair@indiana.edu. The Department of Chemistry and College of Arts and Sciences are committed to building and supporting a diverse, inclusive, and equitable community of students and scholars. *Indiana University is an equal employment and affirmative action employer and a provider of ADA services. All qualified applicants will receive consideration for employment without regard to age, ethnicity, color, race, religion, sex, sexual orientation or identity, national origin, disability status, or protected veteran status.*
