

## ASSISTANT PROFESSOR POSITION IN CHEMISTRY

**Rider University** - For the Fall of 2018 the Department of Chemistry, Biochemistry & Physics invites applications for a tenure-track position at the Assistant Professor level in Chemistry. Candidates from all areas of chemistry will be considered, but a preference will be towards the areas of analytical, environmental or computational chemistry. The successful candidate will have a Ph.D. in a chemistry discipline, strong communication skills, a commitment to both teaching and research in the liberal arts environment, the ability to establish a research program that can engage undergraduates and be able to teach courses and/or labs in both general chemistry and at the upper level. Prior teaching experience and post-doctoral research are desirable.

The Rider University community is composed of faculty, staff and students from a wide range of cultural backgrounds. Candidates with a demonstrated commitment supportive of the multicultural needs of Rider University and the surrounding community are highly desired.

Rider University has once again been included as one of the nation's best universities by *US News & World Report 2016* and remained in the top tier in the Regional Universities – North category at number 22. Additionally, *The Princeton Review* named Rider among its “Best 378 Colleges” in the nation. Both publications have ranked the University favorably in their respective surveys for more than a decade.

All applicants must complete an online application at [www.rider.edu/hr](http://www.rider.edu/hr), ‘Employment Opportunities’, ‘Create Application’, and attach letter of interest, curriculum vitae, a statement of teaching philosophy, and a substantive research proposal. Undergraduate and graduate transcripts and three letters of recommendation are also required and can be sent separately to [jobs@rider.edu](mailto:jobs@rider.edu), referencing position 312148. Review of completed applications will begin on October 1<sup>st</sup> and continue until the position is filled.
