

ASSISTANT, ASSOCIATE, FULL PROFESSORS IN BIG DATA ANALYTICS, BIOMEDICAL INNOVATIONS, AND SUSTAINABILITY

University of Missouri-Columbia

Description: Under the new leadership of Dean Elizabeth Lobo, the College of Engineering at the University of Missouri is in the process of hiring approximately 40-50 new faculty in the area of Big Data Analytics, Biomedical Innovations, and Sustainability (Food, Energy, Water, and Smart Cities). These new hires will have the potential to be joint hires with the other colleges/schools at the University of Missouri (MU). MU offers a rich environment for collaboration with other faculty in Arts & Sciences, Health Professions, Medicine, Nursing, Veterinary Medicine, and Agriculture, Food and Natural Resources. MU specifically invites and encourages applications from qualified women and members of groups underrepresented in science. We are an Equal Opportunity/Affirmative Action/ADA employer firmly committed to fostering ethnic, racial, and gender diversity in our faculty.

We invite applications for tenured or tenure-track positions at the Assistant, Associate, and Full Professor level. Candidates are expected to have potential for establishing a competitively funded research program. The successful candidate will also be expected to teach undergraduate and/or graduate courses in these areas. For more detailed information about the positions, visit our website at <http://engineeringcareers.missouri.edu/>

Qualifications: Applicants should have an earned a PhD in engineering or a related field. Those with relevant postdoctoral experience are particularly encouraged to apply.

Closing Date: Applications will be reviewed as received and will continue until the positions are filled.

Application: Applicants should submit a CV, a research plan, a teaching statement and a list of three to five professional references electronically to <http://hrs.missouri.edu/find-a-job/academic/index.php>. Inquiries can be directed to Sheila Grant, Associate Dean of Research, College of Engineering, University of Missouri, email: GrantSA@missouri.edu.

The University of Missouri is a Tier I research institution and one of only 60 public and private U.S. universities invited to membership in the prestigious Association of American Universities. Missouri was founded in 1839 in Columbia as the first public university west of the Mississippi River. Today, with an enrollment of more than 35,000 students, 13,000 full-time employees and 300,000 alumni, Mizzou is a \$2.2 billion enterprise and an important investment for the state and nation.
