

## UNIVERSITY OF SOUTHERN CALIFORNIA – CHEMISTRY

The Department of Chemistry in the Dana and David Dornsife College of Letters, Arts and Sciences at the University of Southern California (Los Angeles, California) invites applicants for a tenure track Assistant/Associate Professorship in all areas of chemistry, broadly defined, to start August 16, 2018. Candidates should have a Ph.D. and postdoctoral experience. Candidates should submit their application online first at <http://chem.usc.edu/facsearch> with a cover letter, curriculum vitae and a detailed description of their research and teaching plans. The names and addresses of at least three individuals who will provide letters of recommendation will be requested on-line. In order to be considered for this position, applicants are also required to submit an electronic USC application; follow this job link or paste in a browser: <https://usccareers.usc.edu/job/los-angeles/assistant-or-associate-professor-of-chemistry/1209/5238395>. The committee will begin evaluation of files that include three letters of recommendation on October 2, 2017.

USC is an equal-opportunity educator and employer, proudly pluralistic and firmly committed to providing equal opportunity for outstanding persons of every race, gender, creed and background. The University particularly encourages women, members of underrepresented groups, veterans and individuals with disabilities to apply. USC will make reasonable accommodations for qualified individuals with known disabilities unless doing so would result in an undue hardship.
