

Booth Number	Organization
--------------	--------------

- |          |                                                                                                                 |
|----------|-----------------------------------------------------------------------------------------------------------------|
| 212      | 10x Genomics                                                                                                    |
| 106      | AAAS - Science & Technology Policy Fellowships                                                                  |
| 200      | Abbvie                                                                                                          |
| 500/401  | ACS                                                                                                             |
| 505      | Albemarle Corporation                                                                                           |
| 605      | Altria                                                                                                          |
| 112      | Auburn University                                                                                               |
| 412      | Battelle Savannah River Alliance                                                                                |
| 406      | Blueprint Medicines                                                                                             |
| 502      | BMS                                                                                                             |
| 612      | Boston University                                                                                               |
| 107      | California Institute of Technology                                                                              |
| 315      | Carnegie Mellon University                                                                                      |
| 306      | Center for Integrated Nanotechnologies                                                                          |
| 403      | Colgate                                                                                                         |
| 614      | College of the Holy Cross                                                                                       |
| 407      | Corning                                                                                                         |
| 300      | Corteva Agriscience                                                                                             |
| 209      | Department of Pharmacology, Addiction Science and Toxicology, College of Medicine, University of North Carolina |
| 506      | DOW                                                                                                             |
| 501      | DuPont                                                                                                          |
| 402      | Eli Lilly & Company                                                                                             |
| 710      | Emory University Department of Chemistry                                                                        |
| 604      | Entergy                                                                                                         |
| 413      | FMC                                                                                                             |
| 404      | Genentech                                                                                                       |
| 113      | Georgia State University                                                                                        |
| 601/700  | 2 booths Gilead Sciences                                                                                        |
| 600      | GlaxoSmithKline                                                                                                 |
| 103      | Harvard University Dept of Chemistry and Chemical Biology                                                       |
| 314      | Idaho National Laboratory                                                                                       |
| 305      | Incyte                                                                                                          |
| 415      | Indiana University                                                                                              |
| 311      | Janssen                                                                                                         |
| 703      | Johns Hopkins University                                                                                        |
| 310      | Krell Institute                                                                                                 |
| 206      | Lawrence Livermore National Laboratory                                                                          |
| 707      | Louisiana State University                                                                                      |
| 705      | LS-PAC MODELS Center                                                                                            |
| 602      | Massachusetts Institute of Technology (MIT) Department of Chemistry                                             |
| 101      | McKetta Department of Chemical Engineering, University of Texas, Austin                                         |
| 400, 301 | Merck                                                                                                           |
| 408      | Michelman                                                                                                       |
| 205      | National Academy of Sciences                                                                                    |
| 509      | National Institute of Standards and Technology (B)                                                              |
| 514      | Naval Research                                                                                                  |
| 712      | New York University, Chemistry                                                                                  |

511 NIST (A)  
508 North Carolina State University, College of Engineering  
607 Northeastern University  
409 NovAliX  
608 NREL  
510 NSF  
203 NSF Center for Computer Assisted Synthesis (C-CAS)  
414 NSF QuBBE QLCI- Chicago State University  
701 NYU Tandon School of Engineering  
100 Oak Ridge National Laboratory  
313 Pacific Northwest National Laboratory  
302 Pactiv Evergreen  
513 Penn Engineering | University of Pennsylvania  
309 Penn State - Eberly College of Science  
304 Pfizer  
114 Purdue University  
405 Regeneron Pharmaceuticals  
109 Rensselaer Polytechnic Institute  
702 Research University Alliance  
512 Rice University  
202 Rosetta Commons RaMP / REU  
201 RTI International  
606 SC Johnson  
308 Schrödinger, Inc  
307 Shimadzu Scientific Instruments  
105 SLAC National Accelerator Lab  
704 Stanford University Sarafan ChEM-H  
104 The National GEM Consortium  
207 The Ohio State University  
610 U.S. Department of Energy Office of Fossil Energy and Carbon Management  
211 UC LAWRENCE BERKELEY LAB  
303 Unilever  
603 University of Akron  
709 University of California, Davis  
115 University of Cincinnati College of Medicine  
515 University of Delaware  
609 University of Illinois Urbana Champaign Chemistry and Chemical Engineering  
507 University of Maryland  
410 University of Michigan  
706 University of Minnesota  
504 University of Missouri  
215 University of Notre Dame -- Chemical Engineering & CISTAR  
208 University of Pennsylvania  
108 University of Pittsburgh  
503 University of Tennessee, Knoxville  
615 University of Washington - Chemical Engineering  
611 University of Washington - IMOD, CEI, MEM-C  
613 University of Washington - Molecular Engineering and Sciences PhD  
312 University of Wisconsin Madison Chemistry Department  
411 US Environmental Protection Agency

708 Vanderbilt University Chemistry  
714 Virginia Tech Department of Chemistry  
102 Waters Corporation  
214 Worcester Polytechnic Institute  
204 Yale University
