As an **Analytical Chemistry Undergraduate Intern** you’ll have the chance to help Altria shape the future and deliver winning results by executing chemical and physical characterization of products and materials using state-of-the-art instrumentation. During our 12-week, paid summer program, you’ll experience on-the-job training, access to mentors, planned social events with other Altria interns and opportunities to grow your leadership skills. You’ll be challenged and empowered to:

Work on projects relevant to current business opportunities, consulting with members of our team and cross-functional stakeholders

- Execute analytical testing on the properties of materials, processes and products for the Altria family of companies.
- Document project work in formal reports and present findings/recommendations to Senior Management upon course completion

**THIS ISN’T FOR JUST ANYONE — BUT IT COULD BE PERFECT FOR YOU**

To qualify for the summer intern program, student applicants must be:

- Rising juniors or rising seniors at the time of the internship in good academic standing (minimum 3.0 GPA preferred)
- Pursuing a relevant undergraduate Chemistry or Chemical Engineering degree
- Strong communicators with analytical and creative thinking skills and demonstrated leadership initiative

**Company Overview**

Altria has a leading portfolio of tobacco products for U.S. tobacco consumers age 21+. Altria’s Vision through 2030 is to responsibly lead the transition of adult smokers to a non-combustible future. Altria is Moving Beyond Smoking™, leading the way in moving adult smokers away from cigarettes by taking action to transition millions to potentially less harmful choices - believing it is a substantial opportunity for adult tobacco consumers, Altria’s businesses and society. Altria’s wholly owned subsidiaries include the most profitable tobacco companies in their categories: Philip Morris USA Inc. (PM USA), U.S. Smokeless Tobacco Company LLC (USSTC), and John Middleton Co. (Middleton). Altria’s smoke-free portfolio includes Helix Innovations LLC (Helix), the maker of on! oral nicotine pouches, exclusive U.S. commercialization rights to the IQOS Tobacco Heating System® and Marlboro HeatSticks®, and an equity investment in JUUL Labs, Inc. (JUUL). Altria complements its tobacco portfolio with ownership of Ste. Michelle Wine Estates (Ste. Michelle) and equity investments in Anheuser-Busch InBev SA/NV (ABI), the
world’s largest brewer, and Cronos Group Inc. (Cronos), a leading Canadian cannabinoid company.

At Altria, we celebrate the power of diverse teams working together to shape our future. We are inspired to bring our best because our unique strengths are valued. We believe our personal success and progress should be guided by Our Cultural Aspiration, a new articulation of what we value and who we aspire to be, collectively. Our Cultural Aspiration respects and complements individual identity, embracing each other’s unique strengths, welcoming newcomers and developing the best, most inclusive and diverse teams. Join us as we work together to shape a better future for adult tobacco consumers, our employees, and our shareholders. Each Altria company is an equal opportunity employer.
