

## Visiting Assistant Professor of Physical Chemistry

Augustana University seeks to fill a visiting, full-time position in the Department of Chemistry & Biochemistry at the rank of Assistant Professor beginning August, 2021. A search to fill a tenure-track Physical Chemistry position will be initiated in Fall 2021 and the successful candidate may choose to be a candidate for that position, as well.

**Primary Responsibilities:** (1) Instruction of general chemistry and physical chemistry courses (lecture and laboratory) for majors and non-majors, and (2) instruction of nonmajor chemistry courses (lecture). This position includes a heavy laboratory component, with a target total load of 14-16 student contact hours per fall/spring semester. The successful applicants will have a demonstrated dedication to undergraduate education, a commitment to innovative and excellent teaching, the capability to adhere to the timelines of a rigorous curriculum, and the ability to meet the flexible instructional needs of the Department. Summer teaching opportunities outside of the base teaching load may be available. Research/scholarship is not an expectation for the position.

**Qualifications:** Ph.D. in Physical Chemistry. Candidates with post-doctoral training and a strong record of undergraduate instruction in general chemistry and physical chemistry are preferred.

**Salary:** Salary is competitive and dependent upon qualifications; excellent fringe benefits are included.

**Closing Date:** Review of applications will begin immediately and will continue until the position is filled.

**Application Procedure:** Please send: (1) a cover letter, (2) a statement of teaching philosophy, (3) a delineation of scientific expertise and experience, (4) a statement on your commitment to diversity (how you worked to promote diversity, equity and inclusion in your previous position and how you plan to continue to do so at Augustana), (5) copies of undergraduate and graduate transcripts, (6) a curriculum vita, (7) a completed Augustana University employment application, (8) and three letters of reference electronically to [humanresources@augie.edu](mailto:humanresources@augie.edu). Official web site: [www.augie.edu](http://www.augie.edu).

Contact Augustana University Human Resources with questions: Liz Soukup, Employment Specialist, [liz.soukup@augie.edu](mailto:liz.soukup@augie.edu), 605-274-4107.

For more information about the department please see the Department of Chemistry & Biochemistry web page: <http://www.augie.edu/academics/chemistry>

Augustana University will continue to monitor concerns related to Covid-19 and its variants in the months to come, and we expect to provide all, or nearly all, of our instruction in face-to-face labs and classes beginning fall of 2021. Applicants for faculty and staff positions should thus be prepared to participate fully in on-campus, face to face experiences in the coming academic year.

*Augustana University is an Equal Opportunity/Affirmative Action/Title IX Employer that seeks to recruit, develop and retain a talented and diverse workforce. Augustana University is committed*

*to excellence through diversity and strongly encourages applications from the entire spectrum of a diverse community. Submission of official transcripts may be required upon employment. Finalist candidates must satisfactorily complete pre-employment background check.*
