

## **Assistant or Associate Professor, Physical Chemistry**

Augustana University seeks to fill a full-time, tenure track position in Physical Chemistry in the Department of Chemistry & Biochemistry at the rank of Assistant or Associate Professor beginning Fall 2022.

**Primary Responsibilities:** (1) Instruction of general chemistry and physical chemistry courses (lecture and laboratory) for majors and non-majors, (2) instruction of nonmajor chemistry courses (lecture), (3) developing a research program with undergraduates, and (4) service to the University community. Successful applicants will have a demonstrated dedication to undergraduate education, a commitment to innovative and excellent teaching, the capability to adhere to the timelines of a rigorous curriculum, and the ability to meet the flexible instructional needs of the Department.

**Qualifications:** Ph.D. in Physical Chemistry. Candidates with post-doctoral training and a strong record of undergraduate instruction in general chemistry and physical chemistry are preferred.

**Salary:** Salary is competitive and dependent upon qualifications; excellent fringe benefits are included.

**Closing Date:** Review of applications will begin on September 30, 2021.

**Application Procedure:** Please send: (1) a cover letter, (2) a statement of teaching philosophy, (3) a description of research plans, (4) a statement on your commitment to diversity (how you worked to promote diversity, equity and inclusion in your previous position and how you plan to continue to do so at Augustana), (5) copies of undergraduate and graduate transcripts, (6) a curriculum vita, (7) a completed Augustana University employment application, (8) and three letters of reference electronically to [humanresources@augie.edu](mailto:humanresources@augie.edu). Official web site: [www.augie.edu](http://www.augie.edu).

Contact Augustana University Human Resources with questions: Liz Soukup, Employment Specialist, [liz.soukup@augie.edu](mailto:liz.soukup@augie.edu), 605-274-4107.
