

Visiting Assistant Professor in Chemistry

The Chemistry and Biochemistry Program at Bard College invites applications for a two-year visiting position at the rank of Assistant Professor beginning in the fall semester of 2019.

The successful candidate may teach courses in general, organic, and advanced chemistry/biochemistry and will supervise student research. Bard College is a highly selective liberal arts college located 90 miles north of New York City on the Hudson River.

Requirements include a PhD in Chemistry, a commitment to excellence in teaching in a liberal arts setting (prior teaching experience preferred), evidence of ongoing research activity, and an interest in working closely with faculty members in the sciences on research and curriculum development.

Applicants should submit a cover letter, a CV, a statement of teaching interests, a statement of research plans, and arrange for three letters of reference (at least one relevant to teaching) to be addressed to: Prof. Swapan Jain through Interfolio.com at: <http://apply.interfolio.com/60973>. Review of applications will begin immediately and continue until the position is filled.

Bard College is an equal opportunity employer and we welcome applications from individuals who contribute to our diversity.
