COLORADO STATE UNIVERSITY

FACULTY POSITIONS IN CHEMISTRY

The Department of Chemistry at **Colorado State University**, located in Fort Collins, CO, seeks to hire at least one tenure-track faculty member. Exceptional candidates from all areas of **polymer chemistry** are encouraged to apply.

We aim to fill this position at the Assistant Professor level, but may consider exceptional candidates at the Associate Professor rank. Candidates must hold a Ph.D. or equivalent degree and be capable of outstanding teaching, scholarship, and research. Postdoctoral experience is highly desirable. Complete applications must include a cover letter, detailed CV, descriptions of research plans and teaching interests, a statement of commitment to diversity and inclusion, and the names of at least three references. Under “statement of commitment to diversity and inclusion” please upload a 1-page personal statement on your contribution and commitment to diversity and inclusion, which will help us identify candidates who have the professional skills, experience, and/or willingness to engage in activities that advance our campus diversity and equity goals. Contributions can take a variety of forms including your research, mentorship, teaching or outreach experiences and efforts. Letters of reference will be requested immediately upon submission of an application. Please inform your referees that letters should be submitted by November 8, 2021 to ensure full consideration.

For more information or to apply see <https://jobs.colostate.edu/postings/93272>. Questions regarding the searches should be directed to Chair, Faculty Search Committee, **CHEM_search@mail.colostate.edu**. Applications will be accepted until the positions are filled; applications completed by **11:59 PM (MT) on November 1, 2021** will receive full consideration. Files of semifinalists (including reference letters) will be available to all Chemistry Department tenure-track faculty. CSU is an EO/EA/AA employer. Colorado State University conducts background checks on all final candidates.
