Job Title: Visiting Assistant Professor, Organic Chemistry

The ACS-accredited Department of Chemistry and Biochemistry at the College of Charleston (<http://chemistry.cofc.edu>), located in historic Charleston, SC, invites applications for a **Visiting Assistant Professor** position in the broad field of **Organic Chemistry** beginning August 2023. This is a one-year appointment.

Qualifications:

The successful applicant must have earned a Ph.D. in Chemistry or a closely related field prior to the appointment start date and is expected to teach 12 contact hours per semester, mostly in organic chemistry.

Qualified applicants should submit:

- A cover letter;
- Complete curriculum vitae;
- A statement describing teaching experience and philosophy (maximum 2 pages).
- The names, addresses, e-mail addresses, and telephone numbers of at least three professional references, that could be contacted to provide letters of recommendation.

Review of applications will begin on March 15, 2023 and continue until the position is filled. Applications must be submitted via the electronic portal found at jobs.cofc.edu. For more information, contact Dr. Marcello Forconi, Department of Chemistry & Biochemistry, College of Charleston, 66 George St., Charleston, SC 29424. forconim@cofc.edu.
