

Assistant Professor

The Department of Chemistry at Columbia University invites applications for a tenure track Assistant Professor position with a start date of July 1, 2020. All areas of Chemistry will be considered and candidates from all sub-disciplines are encouraged to apply. Successful candidates for this position must have the potential to do innovative and pioneering research and to teach effectively at the undergraduate and graduate levels. Applicants should submit a cover letter, CV, research and teaching statements, and have 3 letters of recommendation sent on their behalf. In addition, candidates are encouraged to submit a separate statement that addresses past and/or potential contributions to diversity, equity and inclusion in their application materials. The Department values diversity among its faculty, is committed to building a culturally diverse intellectual community, and strongly encourages applications from women and other underrepresented groups. Please visit our online application at the link below for further information about this position and to submit your application.

For more information and to apply, please go to: <http://pa334.peopleadmin.com/postings/3965>

Review of applications will begin immediately and continue until the position is filled.

Columbia University is an Equal Opportunity Affirmative Action Employer.
