

Tenure Track Faculty Positions
Georgia Institute of Technology
School of Chemistry and Biochemistry
Atlanta, GA 30332-0400

The **School of Chemistry and Biochemistry** at the **Georgia Institute of Technology** invites applications from highly accomplished scientists at the Associate or Full Professor levels for tenured faculty positions supported by endowed chairs. While all areas of research will be considered for exceptional candidates, a focus on theoretical and computational chemistry, biomolecular or bioanalytical chemistry, synthetic or polymer chemistry, quantum science, or energy and catalysis is preferred. Candidates are also expected to demonstrate an exceptional commitment to the teaching and mentoring of students.

To apply, please visit the Georgia Tech [CAREERS](https://hr.gatech.edu/employment/careers) Employment website at <https://hr.gatech.edu/employment/careers>. Once there, click the link under the “External Applicants” section, then click on “View All Jobs”, enter the Job ID 233455 in the “Search Job” field and click enter. Select highlighted job posting to open. Click “Apply for Job” button to create a new user registration and apply for the position.

Candidates should submit (i) a cover letter summarizing your interest in the position, (ii) curriculum vitae, (iii) description of research plans, particularly if future endeavors will differ significantly from past efforts, (iv) description of teaching interests and philosophy, and (v) description of past experience and/or future plans to promote diversity and inclusion.

Requests for information may be directed to Ms. Michele Yager (michele.yager@chemistry.gatech.edu). Applications will be considered beginning October 10, 2021, and will continue until the positions are filled. A background check must be completed prior to employment.

Georgia Tech is a top-ranked public research university situated in the heart of midtown Atlanta, a vibrant and diverse city with an outstanding educational, scientific, technical, and entrepreneurial environment. The Institute prides itself on its technology resources, collaborative culture, high-quality student body, and our commitment to diversity, equity, and inclusion.

Being an equal education/employment opportunity institution dedicated to building a diverse community, we strongly encourage applications from women, underrepresented minorities, individuals with disabilities, and veterans. Georgia Tech strives to promote a healthy work-life balance for all, and we welcome opportunities to attract outstanding faculty who may need to meet the needs of two careers.
