Faculty Position in Chemistry and Biochemistry

The School of Chemistry and Biochemistry at the Georgia Institute of Technology invites applications for a tenure-track faculty position at the rank of Assistant Professor in the areas of analytical chemistry and organic chemistry, broadly defined. All subdisciplines within those general fields are welcome, including those computational in nature; note that opportunities exist for joint appointments in other departments of science and engineering to facilitate interdisciplinary research and scholarship. Candidates are also expected to demonstrate an exceptional commitment to the teaching and mentoring of students.

To apply, please visit the Georgia Tech CAREERS Employment website at https://hr.gatech.edu/employment/careers. Once there, click the link under the “External Applicants” section, then click on “View All Jobs”, enter the Job ID 249808 in the “Search Job” field and click enter. Select the highlighted job posting to open. Click the “Apply for Job” button to create a new user registration and apply for the position.

Candidates should submit the following materials as pdf files: (i) a cover letter summarizing your interest in the position, (ii) a curriculum vitae, (iii) a description of research plans, (iv) a description of teaching interests and philosophy, and (v) a description of past experience and/or future plans to promote diversity and inclusion. In addition, please arrange for the submission of three confidential letters of reference by e-mail to chemsearch@chemistry.gatech.edu, with the candidate’s name in the subject line.

Requests for information may be directed to Prof. M.G. Finn (mgfinn@gatech.edu). Applications will be considered beginning October 15, 2022, and will continue until the position is filled. An earned doctorate is required by the start of the appointment, and a background check must be completed prior to employment.

Georgia Tech is a top-ranked public research university situated in the heart of midtown Atlanta, a vibrant and diverse city with an outstanding educational, scientific, technical, and entrepreneurial environment. The Institute prides itself on its technology resources, collaborative culture, high-quality student body, and our commitment to diversity, equity, and inclusion. We strongly encourage applications from women, underrepresented minorities, individuals with disabilities, and veterans. Georgia Tech strives to promote a healthy work-life balance for all, and we welcome opportunities to attract outstanding faculty who may need to meet the needs of two careers.

Georgia Tech provides equal opportunity to all faculty, staff, students, and all other members of the Georgia Tech community, including applicants for admission and/or employment, contractors, volunteers, and participants in institutional programs, activities, or services. Georgia Tech complies with all applicable laws and regulations governing equal opportunity in the workplace and in educational activities. Georgia Tech prohibits discrimination, including discriminatory harassment, on the basis of race, ethnicity, ancestry, color, religion, sex (including pregnancy), sexual orientation, gender identity, national origin, age, disability, genetics, or veteran status in its programs, activities, employment, and admissions. This prohibition applies to faculty, staff, students, and all other members of the Georgia Tech community, including affiliates, invitees, and guests.
