GRINNELL COLLEGE. The Grinnell College Chemistry Department has a long-standing commitment to, and record of success in, attracting and retaining students from diverse backgrounds. Our innovative curriculum and pedagogy promote inclusivity and help students explore how chemistry interrelates with other disciplines. Our Department invites applications for a one-year (start August 2022) appointment in biochemistry. Assistant Professor (Ph.D.) preferred; Instructor (ABD) or Associate Professor possible. The teaching responsibilities will be in biochemistry classes and labs with possible involvement in either organic chemistry or general chemistry. Support is also available for research involving undergraduate students.

Grinnell College is a highly selective undergraduate liberal arts college with a strong tradition of social responsibility. In letters of application, candidates should discuss their potential to contribute to a college community that maintains a diversity of people and perspectives as one of its core values. We are especially interested in candidates who can contribute to our department’s diversity through their teaching, scholarship, and/or service to the institution. To be assured of full consideration, all application materials should be received by March 4. Applications will be reviewed until the position is filled. Please visit our application website at https://jobs.grinnell.edu to find more details about the job and submit applications online. Candidates will need to upload a letter of application, curriculum vitae, transcripts (copies are acceptable), and statement of teaching philosophy and description of research interests, and provide email addresses for three references. Questions about this search should be directed to the search chair, Professor Elizabeth Trimmer, at ChemistrySearch@grinnell.edu or 641-269-3172.

Grinnell College is committed to establishing and maintaining a safe and nondiscriminatory educational environment for all College community members. It is committed to a policy of nondiscrimination in matters of admission, employment, and housing, and in access to and participation in its education programs, services, and activities. The college does not discriminate on the basis of race, color, ethnicity, national origin, age, sex, gender, sexual orientation, gender identity or expression, marital status, veteran status, pregnancy, childbirth, religion, disability, creed, or any other protected class.

An offer for this position will be contingent on successful completion of a background check.

Grinnell College is an E-verify employer.
