Tenured Professor in Chemistry  
Department of Chemistry and Chemical Biology  
Faculty of Arts and Sciences  
Harvard University  

Candidates are invited to apply for a tenured professorship in all fields of chemistry. The appointment is expected to begin on January 1, 2023. The tenured professor will be responsible for teaching at the undergraduate and graduate levels. We are seeking candidates who have an outstanding research record and a strong commitment to undergraduate and graduate teaching.

**Basic Qualifications:** Doctorate required by expected start date.

**Additional Qualifications:** Demonstrated strong commitment to teaching, advising, and research is desired. Candidates should also evince intellectual leadership and impact on the field and potential for significant contributions to the department, University, and wider scholarly community.

**Special Instructions:** Please submit the following materials through the ARieS Portal (https://academicpositions.harvard.edu/postings/11075): 1) Cover letter; 2) Curriculum Vitae; 3) Teaching/Advising statement (describing teaching philosophy and practices); 4) Research statement; and 5) Statement describing efforts to encourage diversity, inclusion, and belonging, including past, current, and anticipated future contributions in these areas.

**Deadline:** Applications will be accepted until the position is filled.

Harvard is an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law.
