2021-2022 Full-Time and Part-Time Visiting Assistant Professors of Chemistry

The Haverford College Chemistry Department seeks one full-time (5 courses total) and other part-time visiting faculty members to teach the following courses during the 2021-2022 academic year: sections of majors'-track introductory chemistry, junior-level inorganic chemistry, junior-level integrative laboratory ("Superlab"), and upper level biochemistry and/or chemistry elective/special topics courses.

Haverford College is a top-tier small liberal arts college that lies 20 minutes outside of Philadelphia. Haverford has a long tradition in fostering student research in the curriculum; students majoring in chemistry complete integrated laboratory training as juniors and are required to participate in a year-long senior thesis experience.

Candidates must have completed a Ph.D. in chemistry or a related area. Candidates should submit a cover letter, CV, and a brief statement of teaching interests and professional goals. Candidates who can speak with clarity about their commitment to diversity and inclusion will be prioritized. Names and contact information for three professional references should be provided. Applications will be reviewed as soon as they are received; for fullest consideration, applications should be received by June 4, 2021. Application materials should be submitted using Interfolio: http://apply.interfolio.com/87867. For technical questions, please contact Interfolio directly at 877-997-8807 or help@interfolio.com.

Questions about the positions may be addressed to:

Casey Londergan
Professor and Chair
Department of Chemistry, Haverford College
370 Lancaster Avenue, Haverford, PA 19041, USA
