

**Position Title:**

Assistant or Associate Professor of Organic Chemistry

**Appointment Type:**

Faculty

**Job Description:****Summary of Duties and Responsibilities:**

The Department of Chemistry at Iowa State University invites applications for a tenure-track position at the rank of Assistant or Associate Professor in organic chemistry, broadly defined, to begin in the Fall of 2024. Candidates in all traditional fields and emerging sub-fields of organic chemistry and organic materials will be considered.

Successful candidates are expected to conduct innovative research and establish an active externally funded research program. We seek candidates with a record of excellence in research and scholarship and an ability to excel in teaching primarily organic chemistry courses at the undergraduate and graduate levels. Candidates will be expected to contribute to service activities at the department, university, and professional level. Candidates must have a Ph.D. in chemistry or a closely related field; postdoctoral experience is desirable.

**Required Minimum Qualifications:**

- Ph.D. in chemistry or a related discipline. The degree must be conferred by the date of appointment.

**Preferred Qualifications:**

- Demonstrated potential to establish a successful original research program in organic chemistry, broadly defined.
- Demonstrated ability to teach organic chemistry courses at the undergraduate and graduate levels.
- Relevant postdoctoral experience

**Department/Program & College Description:** The Department of Chemistry at Iowa State University has twenty-five research-active faculty leading world-class research programs spanning the traditional areas of chemistry and at the interfaces of chemistry, biology, and materials. The department has multiple joint faculty with the Ames National Laboratory, a government-owned, contractor-operated national laboratory of the U.S. Department of Energy (DOE) operated by and located on the campus of Iowa State University in Ames, Iowa. Further information about the Department of Chemistry at ISU and Ames National Laboratory may be found at <https://www.chem.iastate.edu/> and <https://www.ameslab.gov>

**Department Unit/Website:** <https://www.chem.iastate.edu/>

**Proposed Start Date:**

August 16, 2024

**Number of Months Employed Per Year:**

09 Month Work Period

**Time Type:**

Full time

**Application Instructions:**

To apply for this position, please click on “Apply” and complete the Employment Application. Please be prepared to enter or attach the following:

- 1) Resume/Curriculum Vitae
- 2) Letter of Application/Cover Letter
- 3) Summary of prior research and future research plans
- 4) Statement on teaching experience and specific teaching interests
- 5) Contact Information for three references

Once your application is submitted, recommendation letters will be requested from your references. Review of your application will not begin until at least two letters are received.

**To be considered, all application materials must be submitted by December 15, 2023.**

If you have questions regarding this application process, please email [employment@iastate.edu](mailto:employment@iastate.edu) or call 515-294-4800 or Toll Free: 1-877-477-7485.
