

Our Next Breakthrough IS YOU
Lawrence Postdoctoral Fellowship
The Opportunity to Bring your Brightest Ideas to Life

We know that you are already working hard to solve important research questions. But do you want to take your skills to the next level and apply them to solving the nation's most pressing problems in national security? The Lawrence Livermore National Laboratory (LLNL) has openings available in the Lawrence Fellowship Program that will allow you to do just that. We want you to apply for this prestigious fellowship, which offers you the freedom to conduct the independent, self-directed, cutting-edge research that you have always dreamed about. Fellowships are awarded to applicants with extraordinary talent, credentials, leadership potential and a track record of research accomplishments. Is that you?

Successful Fellows will propose and subsequently perform creative research in an area that is relevant to the mission and goals of LLNL. Broad topic areas include: Physics, Applied Mathematics, Computer Science, Chemistry, Material Science, Engineering, Environmental Science, Atmospheric Science, Geology, Energy, Lasers and Biology. You will be able to participate in experimental or theoretical work at LLNL and will have access to LLNL's extensive computing facilities and specialized laboratory facilities. The duration of the Fellowship is up to three years. The salary is \$9,476/mo.

Please refer to the following web page <http://apptrkr.com/1258188> for eligibility requirements and instructions on how to apply. When applying and prompted, please mention where you saw this ad. The deadline for applications is October 1, 2018. LLNL is operated by the Lawrence Livermore National Security, LLC for the U.S. Department of Energy, National Nuclear Security Administration. We are an equal opportunity employer with a commitment to workforce diversity.
