Michigan Technological University

Michigan Technological University is embarking on an exciting faculty and administrative hiring initiative. Opportunities are available across multiple disciplines for both tenure-track and instructional-track positions.

Dean of
- College of Engineering
- College of Forest Resources & Environmental Science
- College of Sciences & Arts

Faculty in
- Biological Sciences (chair & 1 instructional-track)
- Biomedical Engineering (1 tenure-track & 1 instructional-track)
- Chemical Engineering (3 tenure-track)
- Cognitive & Learning Sciences (tenure-track)
- Computer Science (2 tenure-track)
- Data Science (instructional-track)
- Electrical, Computer, or Robotics Engineering (tenure-track)
- Electrical Engineering (tenure-track)
- Geological Engineering (tenure-track)
- Geospatial Engineering (instructional-track)
- Geotechnical Engineering (tenure-track)
- Health Informatics (tenure-track)
- Humanities (instructional-track)
- Management Information Systems & Data Analytics (MIS) (tenure track)
- Manufacturing and Mechanical Engineering Technology (tenure-track)
- Mechanical Engineering – Engineering Mechanics (tenure-track)
- Manufacturing and Mechanical Engineering Technology/Applied Computing (tenure-track)
- Structural Engineering (tenure-track)
- Transportation Engineering (instructional-track)
- Social Sciences(2 tenure-track)
- Visual & Performing Arts (1 tenure-track & 1 instructional-track position)

If you want to work at one of the nation’s premier technological universities, in an environment that is committed to DEI, and live in one of the top small towns in the US—with year-round outdoor adventure like skiing, biking, and hiking—we strongly encourage you to apply. Additional details can be found at mtu.edu/provost/hiring-initiatives

Michigan Technological University is:
- committed to a diverse and inclusive community of and for scholars that is conducive to excellent teaching, innovative research, and the personal and intellectual growth of its students, faculty, staff, and alumni.
- supportive of dual-career partners by offering candidates the opportunity to bring a guest to on-campus interviews (the Manager of Partner Engagement offers career advice and assistance in finding partner positions at the University and in the local community—learn more at mtu.edu/provost/programs/partner-engagement).
- home to more than 7,000 students from 55 countries around the world—our five degree-granting colleges develop, apply, and communicate science, engineering,
technology, and mathematics in more than 140 graduate and undergraduate degree programs.

- a leading public research institution with more than $102 million in total research expenditures and 16 research centers and institutes.
- located in the beautiful Upper Peninsula of Michigan—our campus overlooks the Keweenaw Waterway and is just a few miles from Lake Superior.
- an ADVANCE Institution that has twice received National Science Foundation funds to support efforts to increase diversity, inclusion, and the participation and advancement of women and underrepresented individuals in STEM.
- an Equal Opportunity Educational Institution/Equal Opportunity Employer that provides equal opportunity for all, including protected veterans and individuals with disabilities.
