Miami University Department of Chemistry & Biochemistry (two tenure-track positions): (1) Assistant Professor in Analytical Chemistry and (2) Assistant Professor in Biochemistry. The Assistant Professors will teach undergraduate- and graduate-level courses related to their discipline, while also developing and maintaining a nationally-recognized, externally-funded research program that includes undergraduate-, masters-, and doctoral-level students; advise students; and provide service to the institution.

Required: Ph.D. and postdoctoral experience in chemistry, biochemistry, or related discipline.

Submit a letter of interest, curriculum vitae, statement of research plans, teaching statement that describes how you support student learning, and a one-page diversity statement addressing past and/or potential contributions to advancing diversity, equity, and inclusion through research, teaching, and/or service to https://jobs.miamioh.edu/cw/en-us/job/500491/assistant-professor-analytical-chemistry (Analytical Chemistry position) or https://jobs.miamioh.edu/cw/en-us/job/500493/assistant-professor-biochemistry (Biochemistry position). Department will request letters of recommendation from references listed in the application. Inquiries may be directed to Professor Carole Dabney-Smith at smithac5@miamioh.edu. Screening of applications will begin October 3, 2022, and continue until the position is filled.

Diversity Statement: Miami University is committed to creating an inclusive and effective teaching, learning, research, and working environment for all.
