

Postdoctoral Research Associates - NRC Research Associateship Programs

The National Academies of Sciences, Engineering, and Medicine administers postdoctoral and senior research awards at [participating federal laboratories and affiliated institutions](#) at locations throughout the U.S and abroad.

We are seeking highly qualified candidates who hold, or anticipate earning, a doctorate in a variety of fields of science or engineering. Degrees from foreign universities should be equivalent in training and research experience to a doctoral degree from a U.S. institution. Citizenship eligibility varies among the sponsoring laboratories.

Application deadline dates (four annual review cycles):

- February 1
- May 1
- August 1
- November 1

Awardees have the opportunity to:

- Conduct independent research in an area compatible with the interests of the sponsoring laboratory
- Devote full-time effort to research and publication
- Access the excellent and often unique facilities of the federal research enterprise
- Collaborate with leading scientists and engineers at the sponsoring laboratories

Awardee benefits include:

- Stipends ranging from \$45,000 to \$102,000; may be higher based on experience
- Health insurance (including dental and vision), relocation benefits, and a professional travel allowance
