

**DIVISION DIRECTOR
DIVISION OF CHEMISTRY
National Science Foundation, Alexandria VA**

The Directorate for Mathematical and Physical Sciences (MPS) announces a nationwide search to fill the position of Division Director, Division of Chemistry (CHE). Appointment to this Senior Executive Service position may be on a career basis, or on a one- to three-year limited-term basis, with a salary range of \$165,842 to \$175,400. Alternatively, the incumbent may be assigned under the Intergovernmental Personnel Act (IPA) provisions. Information about the Division's activities may be found at <https://www.nsf.gov/div/index.jsp?div=CHE>.

The successful candidate will possess an established record of significant achievement in research administration as well as leadership responsibility in academe, industry or government. In addition to having a strong record of research and education accomplishments within his or her technical communities, the Division Director must be experienced and competent in technical, financial, and administrative management. He/she must work well with people, be an effective communicator, and act as a mentor to continuously develop the diversity of talents and skills of his or her colleagues at all levels.

Announcement CHE-2019-0001, with position requirements and application procedures, is located at <https://www.usajobs.gov/GetJob/ViewDetails/526977800>. Applicants may also obtain the announcement by contacting the Executive Personnel Staff, 703-292-7493. Hearing impaired individuals may call TDD 703-292-5090. Applications must be received by the closing date.
