

VISITING ASSISTANT PROFESSOR, BIOCHEMISTRY

OAKLAND UNIVERSITY

The Department of Chemistry at Oakland University is pleased to invite applications for a one-year Visiting Assistant Professor position in Biochemistry, beginning August 15, 2021. The successful applicant will hold a Ph.D. (as of July 2021) in Biochemistry or a closely related field. Prior university or college teaching experience is strongly preferred. Responsibilities will include teaching graduate, upper-level biochemistry lectures and introductory biochemistry/bio-organic for non-majors.

To apply, please submit a cover letter, CV, one-page statement describing teaching experience and philosophy, one-page diversity statement describing the candidates' interest in promoting diversity and inclusion, unofficial transcripts and arrange three professional letters of reference. Application materials can be submitted at:

<http://jobs.oakland.edu/postings/20804>

Review of applications will begin on June 1, 2021 and will continue until the position is filled. Oakland University is an EOE committed to increasing diversit
