Tenure Line Faculty Position - Department of Chemistry

The [http://science.psu.edu/chem](http://science.psu.edu/chem) at The Pennsylvania State University seeks outstanding applicants for a tenure-track faculty position in **Chemical Biology and Mass Spec Imaging**. Both junior and senior candidates are encouraged to apply.

Competitive applicants should have a Ph.D., an outstanding record of research accomplishments, an innovative future research plan, be capable of achieving teaching excellence at both the undergraduate and graduate levels, and be committed to enhancing equity, diversity, and inclusion.

The Department of Chemistry at Penn State offers a stimulating environment that supports cutting-edge research in both traditional and interdisciplinary areas, including a 177,000 square foot chemistry research building on the University Park campus, excellent shared instrumentation facilities, and close interactions with the Huck Institutes of the Life Sciences, the Materials Research Institute, the Institutes of Energy and the Environment, and the Institute for CyberScience. Positions above have the potential for joint funding with the Huck Institutes.

In addition to submitting the Penn State application, an application must be submitted at [https://academicjobsonline.org/ajo/jobs/5773](https://academicjobsonline.org/ajo/jobs/5773) that consists of a cover letter, current CV, a one-page diversity statement, a one page teaching statement, and statement of research interests that includes a ~1 page summary and 3 proposals of ~2-4 pages each. For more information on the Penn State Chemistry Department and the application process, visit [https://science.psu.edu/chem](https://science.psu.edu/chem). Applicants will also need to arrange for three reference letters to be submitted to Academic Jobs Online.

Apply online at [https://apprkr.com/3452315](https://apprkr.com/3452315)

Review of completed applications will begin on October 15, 2022 and the search will continue until the position is filled. Penn State Chemistry is responsive to the needs of dual career couples and welcomes applicants from a diversity of backgrounds, including women, underrepresented minorities, and those with non-traditional career paths.

The Pennsylvania State University is committed to and accountable for advancing diversity, equity, and inclusion (DEI) in all of its forms. We value and foster DEI as a core strength and an essential element of our public service mission.

**CAMPUS SECURITY CRIME STATISTICS:** For more about safety at Penn State, and to review the Annual Security Report which contains information about crime statistics and other safety and security matters, please go to [http://www.police.psu.edu/clery/](http://www.police.psu.edu/clery/), which will also provide you with detail on how to request a hard copy of the Annual Security Report.

*Penn State is an equal opportunity, affirmative action employer, and is committed to providing employment opportunities to all qualified applicants without regard*
to race, color, religion, age, sex, sexual orientation, gender identity, national origin, disability or protected veteran status.
