

THE DEPARTMENT OF CHEMISTRY AT THE UNIVERSITY OF PITTSBURGH seeks to fill the position of a tenure track Assistant Professor of Chemistry effective September 2022, pending budgetary approval. Candidates in the general areas of *quantum materials, quantum sensing and quantum computing* will be considered. Review of applications will begin on October 15, 2021 and will continue until the position is filled.

Minimum requirements are a Ph.D. in Chemistry or a closely related field, a record of research excellence as evidenced by papers in premier academic journals and a promising research plan, and a potential for teaching excellence. Postdoctoral experience is preferred.

In order to ensure full consideration, completed applications should be received through the University's Talent Center system, <https://www.join.pitt.edu> (Requisition Number 21006578). Applicants should provide a cover letter, curriculum vitae, a statement of research plans, a publication list, a statement of teaching interests, and a diversity statement. In addition, three letters of recommendation should be sent to Michele Monaco at monaco@pitt.edu by October 15, 2021. Visit our web site, <http://www.chem.pitt.edu>, to learn more about our department.
