

VISITING ASSISTANT PROFESSOR, GENERAL & ORGANIC CHEMISTRY, ROANOKE COLLEGE - Applications are invited for a visiting faculty appointment starting August 2022. The position is an initial one-year appointment with the possibility of two additional one-year re-appointments, conditional on performance and the needs of the College. This is a full-time position with benefits. A Ph. D. in any field of chemistry or biochemistry with teaching competency in organic chemistry is required. (ABD candidates will also be considered.) Teaching duties will include a mix of lectures and labs in general chemistry (or non-majors chemistry) and organic chemistry. Opportunities in biochemistry lab may be possible, depending on the candidate's expertise. The teaching load at Roanoke is a total of seven sections across two semesters. (Lecture sections and lab sections are counted equally.) The successful candidate will have a commitment to excellent teaching and liberal learning. Research with undergraduates is possible but not required. Salary will be commensurate with qualifications and experience.

A separate contract to teach organic chemistry during the summer session (July 2022 and/or July 2023) may also be available.

Our department offers a B.A. and B.S. in biochemistry and a B.A. and B.S. in chemistry. To learn about our excellent facilities and ACS- and ASBMB-approved programs, visit http://www.roanoke.edu/inside/a-z_index/chemistry/hiring_2022.

Founded in 1842, Roanoke College is a nationally-ranked, independent, co-educational, 4-year liberal arts college affiliated with the Lutheran Church (ELCA), located in the beautiful Roanoke Valley of Virginia. We seek and welcome students of all races, creeds, nationalities and ethnic origins. A Phi Beta Kappa institution, Roanoke College is an equal opportunity employer and actively seeks diversity among its faculty, staff, and students; women and members of under-represented groups are especially encouraged to apply.

We seek candidates with interests in mentoring under-represented students, diversifying curricular offerings, or sponsoring diverse community engagement. Applicants are required to address their potential contributions in support of a diverse community in either their cover letter or a separate statement.

Applications should be complete by January 21st, 2022 for full consideration. Applicants should send cover letter, statement addressing contributions to supporting a diverse community (separate or as part of the cover letter), curriculum vitae, unofficial graduate and undergraduate transcripts, and teaching statement. Applicants should arrange to have three recommendation letters arrive from the recommender or a reference service not later than January 21st. All materials may be sent in print or electronically. Send application materials to: Chemistry Search, Roanoke College, 221 College Lane, Salem, VA 24153-3794 or chem_search@roanoke.edu. Questions about the positions may be directed to Dr. Catherine Sarisky, Chemistry Department Chair, 540-375-2438, sarisky@roanoke.edu.
