

State University of New York at Oswego
Assistant Professor of Analytical Chemistry

The Department of Chemistry at the State University of New York at Oswego invites applications for the position of Assistant Professor of Analytical Chemistry.

Posting Date: November 29, 2021

Review Date: Review of applications will begin immediately and will continue until the position is filled.

Benefit Information: The State University of New York provides an excellent benefit package. For more information on benefits for full-time United University Professions (UUP) faculty, visit:

<https://www.suny.edu/media/suny/content-assets/documents/benefits/benefit-summaries/FTUUPbenefitsummary-Jan-2021.pdf> or <http://www.suny.edu/benefits/>

Date of Appointment: August 2022

Description of Responsibilities: The Assistant Professor of Analytical Chemistry is expected to teach undergraduate and graduate courses in analytical chemistry, instrumental analysis, general education courses offered in chemistry, and specialty courses in area of expertise. The Assistant Professor will be an active participant in the department's vibrant undergraduate and graduate research program by working with several students. The Assistant Professor of Analytical Chemistry will be expected to sponsor candidates for the Master of Science chemistry degrees and increase the recognition of the department and SUNY Oswego and will be expected to secure external funding through grants.

SUNY Oswego works continuously to create an inclusive environment which respects, embraces, and promotes cultural safety, belonging, civil discourse, cultural humility, and other values and goals outlined in SUNY Oswego's Strategic Diversity and Inclusion Plan (<https://www.oswego.edu/diversity/>). As such, the Assistant Professor of Analytical Chemistry will be expected to contribute to these efforts and possess communication and interpersonal skills necessary to engage effectively with an increasingly diverse community of students and colleagues.

Required Qualifications:

- Ph.D. in Chemistry or related field at the time of appointment
- Clearly articulated understanding and commitment to equity, inclusion, diversity issues (evidenced by diversity statement)

Preferred Qualifications:

- Post-doctoral and/or previous teaching experience is desirable
- Research experience in electrochemistry or spectroscopy

At SUNY Oswego we value the diversity found in each member of our campus community and strive to create a community where that diversity is embraced and enhanced. Recognizing the strength of diversity, our mission is to foster an environment which respects, embraces and promotes cultural competence, civil discourse and active engagement in developing an inclusive and vibrant community of scholars who act as transformational agents of change and responsible citizens of the world. For more information see [SUNY Oswego's Strategic Diversity and Inclusion Plan](#). As a candidate seeking consideration you are asked to submit a separate diversity, equity and inclusion statement as instructed in the application requirements.

To Apply Submit:

1. Cover letter describing interest and qualifications for position

2. CV/Resume
3. A statement of research interests that specifically addresses involvement with undergraduate students
4. A separate Diversity, Equity, and Inclusion (DEI) statement on your experience with or commitment to inclusive pedagogy including how you will incorporate DEI goals into your work at SUNY Oswego
5. A Teaching statement including teaching philosophy, inclusive pedagogy, commitment to teaching students from diverse backgrounds, and evidence of prior teaching effectiveness and experience
6. Copy of unofficial (or copy of official) transcript for required degree showing degree awarded and date conferred or program in progress
7. Contact information for three professional references

electronically to: <http://oswego.interviewexchange.com/candapply.jsp?JOBID=139907>

Candidates are required to submit all application documents listed under "To Apply Submit" be uploaded before you can submit your application for consideration. Your application will only be accessible for consideration once all required documents have been submitted.

Official transcripts are required at time of appointment.

If you have questions about the position, please contact:
Vadoud Niri, Search Chair at vadoud.niri@oswego.edu

Description of Department: The Department of Chemistry is an ACS accredited program with an active undergraduate research program and a small master's degree program. The department maintains one of the highest graduation rates of ACS certified degrees in the SUNY system. The department supports undergraduate degrees in biochemistry, chemistry, environmental chemistry, geochemistry, a minor in forensic science and a Chemistry Master's degree. The department is well-equipped for teaching and research. The department supports summer research by funding student stipends through alumni funds. The department also supports number of graduate students through teaching assistantship. The department includes several faculty members with awards in Mentorship, Teaching, Research, and Service. The faculty is committed to provide mentorship to new faculty for their success at Oswego. The Chemistry Department moved to a new 250,000 square foot, \$118 million science building in August 2013.

Description of SUNY Oswego: Founded in 1861, SUNY Oswego is a public comprehensive university located in Central New York on the beautiful shores of Lake Ontario, 45 minutes from Syracuse. One of 13 comprehensive colleges in the 64-campus State University of New York (SUNY) system, SUNY Oswego is recognized nationally for its academic quality, focus on student success outcomes, and the growing diversity of its student body. Ranked in the Top Ten among public master's-level universities in the 2021 "Top Regional Universities in the North" by U.S. News and World Report, SUNY Oswego is also recognized among Princeton Review's Best Regional Colleges in the Northeast – an honor bestowed on the college every year since 2003.

Inspired by a shared commitment to excellence and the desire to transcend traditional higher education boundaries, SUNY Oswego provides a transformative experience to about 8,000 undergraduate and graduate students. The college offers preeminent academic programs in the arts and sciences, business, communications, and teacher education, and its success is built on providing students outstanding educational experiences with attention to a liberal arts and sciences foundation, practical applications, interdisciplinary approaches, independent scholarly and creative work, and skills for living in multicultural and global communities.

Additional information about SUNY Oswego can be found at www.oswego.edu.

Oswego is committed to enhancing its diversity. SUNY Oswego is an Affirmative Action/Equal Opportunity Employer and is actively engaged in recruiting, supporting, and fostering a diverse community of outstanding faculty, staff and students. We encourage applications from qualified applicants regardless of race, color, national origin, religion, creed, age, disability, sex, gender identity or expression, sexual orientation, familial status, pregnancy, predisposing genetic characteristics, military status, domestic violence victim SUNY status, or criminal conviction. Please see our full non-discrimination policy <https://www.oswego.edu/human-resources/non-discrimination-policy>

In accordance with USCIS regulations, successful applicants must be legally able to work in the United States per the Immigration Reform and Control Act of 1986.

Requests for reasonable accommodations of a disability during the application and/or interview process should be made to the Human Resources Office by calling 315-312-2230 or emailing hr@oswego.edu.

For Campus Safety information, please see the Annual Security and Fire Report (Clery): <https://www.oswego.edu/police/annual-report>.

SUNY Oswego is a smoke free/tobacco/e-cigarette free campus. Further policy details, including education and cessation resources, can be found at: https://www.oswego.edu/human-resources/sites/human-resources/files/tobacco_smoke_free_policy_final.pdf

Pursuant to Executive Order 161, no State entity, as defined by the Executive Order, is permitted to ask, or mandate, in any form, that an applicant for employment provide his or her current compensation, or any prior compensation history, until such time as the applicant is extended a conditional offer of employment with compensation. If such information has been requested from you before such time, please contact the Governor's Office of Employee Relations at (518) 474-6988 or via email at info@goer.ny.gov.
