

## **Assistant Professor of Chemistry**

The College of St. Scholastica invites applications for a chemistry faculty position at the rank of Assistant Professor beginning August 2021. The successful applicant will have an earned doctorate in chemistry or closely related field and will contribute to the general and/or organic chemistry sequences, our online MS program, and other courses as appropriate. Interest in teaching in our online MS Chemistry program is desirable. The individual hired will be expected to teach 24-contact hours/academic year, foster a culture of inclusion in the classroom, participate in faculty committee work, and contribute to the department. The department values diversity among its faculty and strongly encourages applications from women and underrepresented groups. This position is a 9-month, full-time, non-tenure track appointment, with the potential of conversion to tenure-track in the future. Applications received by January 31, 2021 will receive priority consideration.

### **RESPONSIBILITIES**

The Assistant Professor will teach general and/or organic chemistry lecture/lab and other courses as appropriate; participate in the work of the College through faculty committees, governance and other opportunities; and contribute to and participate in fostering a culture of inclusion in support of College equity, diversity and inclusion goals.

### **REQUIRED QUALIFICATIONS**

- PhD in chemistry, or a closely related field
- Demonstrated commitment to working with diverse populations, cross-cultural communication, and multicultural competency

### **PREFERRED QUALIFICATIONS**

- College teaching experience
- Experience with online pedagogy in science
- Interest in teaching in an online MS program
- Expertise or desire to contribute to the undergraduate research program in the department

### **THE COLLEGE**

The College of St. Scholastica is a thriving independent private college with its main campus overlooking Lake Superior in Duluth, extended campuses throughout Minnesota and vibrant online programs that attract learners from around the world. Since 1912, The College of St. Scholastica (CSS) has been preparing students for responsible living and meaningful work by emphasizing the Catholic Benedictine values upon which it was founded: Community, Hospitality, Respect, Stewardship and Love of Learning. At CSS, equity and inclusion are viewed as key ingredients to academic excellence and student success.

The College serves students in undergraduate and graduate degree programs throughout six schools—nursing, arts and letters, business and technology, education, health sciences, and sciences. *U.S. News & World Report* consistently ranks CSS among the best colleges and universities in the region for academic excellence.
