

Announcement of Assistant Professor (Tenure-Track) or Associate Professor in Chemistry

The University of Alabama in Huntsville

ABOUT THE UNIVERSITY: The University of Alabama in Huntsville, classified as a High Research Activity institution, offers academic and research programs in the Colleges of Arts, Humanities and Social Sciences, Business, Education, Engineering, Nursing, Professional Studies, and Science. Huntsville maintains one of the highest per capita incomes and standards of living in the Southeast. It is a national center of aerospace and high technology research and is home to NASA's Marshall Space Flight Center. Huntsville and surrounding communities present many opportunities for healthcare research and professional practice.

APPLICATION DEADLINE: Open until filled

JOB DESCRIPTION/REQUIREMENTS: The Department of Chemistry at **The University of Alabama in Huntsville** invites applications for a faculty position in chemistry at the level of Assistant Professor (tenure-track) or Associate Professor with tenure depending on qualifications. Candidates are expected to develop an externally funded research program or expand an existing one and to teach undergraduate and graduate courses in chemistry. We are especially interested in research that complements our current activities and in teaching in inorganic chemistry. A Ph.D. in chemistry or a closely related discipline is required.

APPLICATION PROCEDURE: A letter of application, vita, official transcripts, and contact information for three references should be submitted to Dr. John Foster at ChemChair@uah.edu. Review of applications will begin immediately and continue until the position is filled.

The University of Alabama in Huntsville is an affirmative action/equal opportunity employer of minorities/females/veterans/disabled.
