

Assistant Professor of Chemistry

The University of Chicago: Physical Sciences Division: Department of Chemistry

Location

Chicago, Illinois

Description

The Department of Chemistry at The University of Chicago invites applications for the position of Assistant Professor of Chemistry in all areas of chemistry. Applicants must apply online at apply.interfolio.com/66199 and upload a cover letter, a curriculum vitae with a list of publications, a succinct outline of research plans and a one page teaching statement. In your cover letter, please specify one sub-discipline that best represents your research interests (inorganic, materials, organic, physical, theoretical or chemical biology). In addition, three reference letters are required.

Qualifications

At the time of hire the successful candidate must have completed all requirements for a Ph.D. in Chemistry or a related field. Joint appointments with other departments are possible.

Application Instructions

Review of applications will begin on October 07, 2019 and will continue until all positions are filled.

Apply to: apply.interfolio.com/66199

Equal Employment Opportunity Statement

The University of Chicago is an Affirmative Action/Equal Opportunity/Disabled/Veterans Employer and does not discriminate on the basis of race, color, religion, sex, sexual orientation, gender identity, national or ethnic origin, age, status as an individual with a disability, protected veteran status, genetic information, or other protected classes under the law. For additional information please see the University's [Notice of Nondiscrimination](#).

Job seekers in need of a reasonable accommodation to complete the application process should call 773-702-1032 or email equalopportunity@uchicago.edu with their request.
