POSITION DESCRIPTION

The Department of Chemical and Biomolecular Engineering (CBE) at the University of California, Berkeley, seeks applicants for a tenured faculty position, who will serve 50% in CBE and also as a 50% research staff appointee in the Energy Technologies Area at the Lawrence Berkeley National Laboratory. The Department consistently ranks among the top research and teaching programs in the world and continues to be at the forefront in developing programs in emerging areas of chemical and biomolecular engineering and energy technologies. Creative and energetic individuals who show extraordinary accomplishment in the area of sustainability in Energy-Water Nexus will be considered.

The Berkeley campus values diversity, equity, and inclusion as exemplified by the following principles of community:
- We recognize the intrinsic relationship between diversity and excellence in all our endeavors.
- We embrace open and equitable access to opportunities for learning and development as our obligation and goal.

Our excellence can only be fully realized by faculty, students and staff who share our commitment to these principles. Successful candidates for our faculty positions will demonstrate evidence of a commitment to advancing diversity, equity, and inclusion at UC Berkeley.

The department is committed to addressing the family needs of faculty, including dual career couples and single parents. We are also interested in candidates who have had non-traditional career paths or who have taken time off for family reasons, or who have achieved excellence in careers outside academia.
