

## **Michael and Alice Jung Endowed Chair in Medicinal Chemistry and Drug Discovery**

**University of California Los Angeles**

**Requisition Number:** JPF06891

The UCLA Department of Chemistry and Biochemistry (<http://www.chemistry.ucla.edu>) is seeking outstanding candidates for the Michael and Alice Jung Endowed Chair in Medicinal Chemistry and tenured faculty appointment. The successful applicant for this endowment and tenured faculty appointment will maintain a vibrant and creative research program and contribute to innovative teaching at the undergraduate and graduate levels.

All applications must be uploaded through UCLA academic Recruit. Please note all applicants are required to have a PhD.

Candidates should provide a cover letter, a curriculum vitae, a list of publications, a summary of major accomplishments (1-2 pages) and future research vision (3 pages max.), a teaching statement, and a description of contributions to diversity.

The Jung Chair Search Committee will begin reviewing applications on November 8, 2021.

The University of California Los Angeles and the Department of Chemistry and Biochemistry are interested in candidates who are committed to the highest standards of scholarship and professional activities, and to the development of a campus climate that supports diversity, equity and inclusion.
