## POSITION DESCRIPTION

The School of Engineering anticipates hiring full and part-time Lecturers to teach courses in the following disciplines in Academic Year 2021-2022 (Fall 2021, Spring 2022):

### Bioengineering

**\*\*This posting specifically emphasizes the need to hire a lecturer in the Bioengineering Department at UC Merced to teach the following courses in spring and fall 2022: Biochemistry for Engineers (Spring 2022) and Biomolecular Engineering (Fall 2022)\*\***

Civil and Environmental Engineering

Computer Science and Engineering

Materials Science and Engineering

Mechanical Engineering

Management of Complex Systems

In addition to teaching the course(s), the instructor is responsible for creating a syllabus, holding weekly office hours, and grading examinations and/or papers. The instructor may also be required to hold discussion sections or supervise a graduate student teaching assistant.

This is a limited-term appointment which falls under the purview of the agreement for the Lecturers Unit between University of California and the American Federation of Teachers. Terms and conditions of employment are subject to UC policy and appropriate collective bargaining agreement. See the following url for additional information: <http://ucnet.universityofcalifornia.edu/labor/bargaining-units/ix/index.html>

As a condition of employment, you will be required to comply with the University of California SARS-CoV-2 (COVID-19) Vaccination Program Policy: [https://policy.ucop.edu/doc/5000695/SARS-CoV-2\\_Covid-19](https://policy.ucop.edu/doc/5000695/SARS-CoV-2_Covid-19). All Covered Individuals under the policy must provide proof of Full Vaccination or, if applicable, submit a request for Exception (based on Medical Exemption, Disability, and/or Religious Objection) or Deferral (based on pregnancy) no later than the applicable deadline. For new University of California employees, the applicable deadline is eight weeks after their first date of employment. (Capitalized terms in this paragraph are defined in the policy.)

## QUALIFICATIONS

### Basic qualifications

A record of teaching excellence that demonstrates broad experience working with students of different abilities, ethnic backgrounds, and educational attainment; a record of scholarly achievement pertinent to teaching of Engineering classes preferred. PhD and/or Masters and experience teaching at the college or university level are required.

## APPLICATION REQUIREMENTS

### Document requirements

- Curriculum Vitae - Your most recently updated C.V.
- Cover Letter
- Statement of Experience - A teaching statement of no more than 500 words explaining how you have approached or would approach teaching the courses that you wish to teach. Please also indicate subject areas of interest regarding teaching.

### Reference requirements

- 3 required (contact information only)

## CAMPUS INFORMATION

The University of California is an Equal Employment Opportunity/Affirmative Action employer and invites applications from all qualified applicants, including women, minorities, veterans, and individual with disabilities, who will enrich the teaching, research and public service missions of the university. All qualified applicants will be considered for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age or protected veteran status. For the complete University of California nondiscrimination and affirmative action policy, see: UC Nondiscrimination & Affirmative Action Policy (<https://policy.ucop.edu/doc/4000376/DiscHarassAffirmAction>).

The University of California, Merced, is the newest of the University of California system's 10 campuses. With 8,500 undergraduate and graduate students (<https://www.ucmerced.edu/fast-facts>), UC Merced provides outstanding educational opportunities to highly qualified students from the heart of California, the nation, and abroad. The campus has special connections to nearby Yosemite National Park; is on the cutting edge of sustainability in construction and design; and supports the economic development of Central California. The Merced 2020 Project doubled the physical capacity of the campus, and enhanced academic distinction, student success, and research excellence (<https://merced2020.ucmerced.edu/>).

UC Merced is a smoke & tobacco free campus (<https://smokefree.ucmerced.edu/>).

## JOB LOCATION

Merced, CA
