Position Title ~ Research Scientist
Location ~ Chicago, Illinois

Position URL
apply.interfolio.com/117870

Position Description
The Department of Chemistry at the University of Chicago invites applications for a Research Scientist appointment. The Research Scientist will conduct research with a faculty member, specifically Chuan He, his research group, and collaborators on computational biology of epigenetics and epigenetic sequencing method development, including responsibility for the development of new methods in mapping chromatin state. The term of the appointment will be for up to three years and is expected to begin on March 01, 2023.

Qualifications

Minimum:
- A doctoral degree in chemistry, biology, or epigenetics or closely related field.
- A minimum of three years of related experimental experience, beyond Ph.D. training

Preferred
- Experience in computational biology.

Application Instructions
Applications must be submitted online through the University of Chicago’s academic jobs website: http://apply.interfolio.com/117870

Review of applications will begin December 28, 2022, and continue until the position is filled.

Equal Employment Opportunity Statement

All University departments and institutes are charged with building a faculty from a diversity of backgrounds and with diverse viewpoints; with cultivating an inclusive community that values freedom of expression; and with welcoming and supporting all their members.

We seek a diverse pool of applicants who wish to join an academic community that places the highest value on rigorous inquiry and encourages diverse perspectives, experiences, groups of individuals, and ideas to inform and stimulate intellectual challenge, engagement, and exchange. The University’s Statements on Diversity are at https://provost.uchicago.edu/statements-diversity.

The University of Chicago is an Affirmative Action/Equal Opportunity/Disabled/Veterans Employer and does not discriminate on the basis of race, color, religion, sex, sexual orientation, gender identity, national or ethnic origin, age, status as an individual with a disability, protected
veteran status, genetic information, or other protected classes under the law. For additional information please see the University's [Notice of Nondiscrimination](mailto:).

Job seekers in need of a reasonable accommodation to complete the application process should call 773-834-3988 or email [equalopportunity@uchicago.edu](mailto:equalopportunity@uchicago.edu) with their request.
