

TENURE-TRACK OR TENURED FACULTY POSITION

Chemical Engineering and Materials Science University of Minnesota

The Department of Chemical Engineering and Materials Science at the University of Minnesota (www.cems.umn.edu) seeks to fill a faculty position at the tenure-track Assistant, tenured Associate or tenured Professor level, commensurate with experience. Outstanding candidates with a PhD degree in any area related to chemical engineering and materials science will be considered. Candidates should have a distinguished academic and research record and a commitment to teaching in a highly interdisciplinary department. Successful candidates will be expected to carry out vigorous programs of original research at a world-class level, advise graduate students, teach a broad range of undergraduate and graduate courses in the Department of Chemical Engineering and Materials Science, and participate in Departmental and University governance.

Applications consisting of a cover letter, CV (including a list of publications), research statement, teaching statement, and a list of three references must be submitted online. Visit <https://humanresources.umn.edu/jobs> and search for the appropriate posting #332117. Review of applications will begin immediately and continue until the position is filled. The successful candidate will be in place as early as Fall 2020.

The University of Minnesota is an equal opportunity educator and employer.
