

TENURE-TRACK OR TENURED FACULTY POSITION

Chemical Engineering and Materials Science University of Minnesota

The Department of Chemical Engineering and Materials Science (<https://cse.umn.edu/cems>) at the University of Minnesota seeks to fill a full-time faculty position at the Assistant Professor (tenure-track), Associate Professor (tenured) or Professor (tenured) level.

Outstanding candidates with a Ph.D. in any area related to chemical engineering and materials science will be considered. Candidates should have a distinguished academic and research record and a commitment to teaching in a highly interdisciplinary department and advancing its diversity and excellence.

The successful candidate will be expected to carry out vigorous programs of original research at a world-class level, advise a diverse group of graduate students, teach a broad range of undergraduate and graduate courses in the Department of Chemical Engineering and Materials Science (CEMS), and participate in Departmental and University governance.

Applications consisting of a cover letter, CV (including a list of publications), research plan, teaching interests, diversity statement, and a list of three references must be submitted online: <https://apply.interfolio.com/93031>. Review of applications will begin immediately and the position will remain open until filled.

The University of Minnesota provides equal access to and opportunity in its programs, facilities, and employment without regard to race, color, creed, religion, national origin, gender, age, marital status, disability, public assistance status, veteran status, sexual orientation, gender identity, or gender expression.
