

## ASSISTANT PROFESSOR OF CHEMISTRY

THE DEPARTMENT OF CHEMISTRY AT THE UNIVERSITY OF PITTSBURGH seeks to fill the position of Assistant Professor of Chemistry effective September 2020, pending budgetary approval. Candidates in any subarea of chemistry will be considered. Review of applications will begin on October 07, 2019 and will continue until the position is filled. Minimum Requirements are a Ph.D. in Chemistry or a closely related field, a record of research excellence as evidenced by papers in premier academic journals and a promising research plan, and a potential for teaching excellence. Moreover, postdoctoral experience is preferred. All application materials should be submitted electronically at <https://facultysearch.as.pitt.edu/apply/index/MjY5>. Applicants should provide a cover letter, curriculum vitae, a statement of research plans, a publication list, a statement of teaching interests, and a diversity statement. In your cover letter, please specify one (or more) sub-disciplines (analytical, biological, inorganic/materials, organic, and physical) that best represents your research interests. In addition, three reference letters are required. For each reference, you will have the opportunity to input an email address, and an email notification will be sent to the designated address with instructions about uploading the letters to our system. Visit our web site, <http://www.chem.pitt.edu>, to learn more about our department. The University of Pittsburgh is an Affirmative Action/Equal Opportunity Employer and values equality of opportunity, human dignity and diversity. EEO/AA/M/F/Vets/Disabled
