University School seeks an Upper School Chemistry instructor for the 2021-2022 school year. University School offers a variety of chemistry courses including Chemistry, AP Chemistry, Organic Chemistry, as well as a Polymers and Material Science elective. Ideal candidates will have advanced degree(s) in their fields; firsthand classroom experience; an interest in and capacity for work with adolescents; experience teaching multiple levels of chemistry; an eagerness and dedication to support student research and other co-curricular Science Department programming; a willingness to work cooperatively with colleagues; and a desire to contribute to the larger life of the School. Applications — including resume, cover letter, references, and transcript(s) — should be submitted to Krystopher Perry (kperry@us.edu) Dean of Faculty of University School, 2785 SOM Center Rd, Hunting Valley, OH 44022.
