Tenure Track - Rank Dependent on Qualifications (PRN03096F)

University of Utah Job ID# PRN03096F 00283 - Molecular Pharmaceutics

The Department of Molecular Pharmaceutics (PHCEU, formerly the Department of Pharmaceutics and Pharmaceutical Chemistry, College of Pharmacy) (https://pharmacy.utah.edu/pharmaceutics/) and the Department of Biomedical Engineering (BME, College of Engineering) (https://www.bme.utah.edu/glance/) at the University of Utah seek excellent, diverse applicants for a tenure-track joint faculty position across all ranks.

Potential areas of research interests include, but are not limited to, microbiome engineering, tumor-based infection, immunotherapy, neurotherapeutics, cell therapy, interfaces of modern pharmaceutics and data science, synthetic biology, and innovative biomaterials for gene and drug delivery.

We seek candidates with expertise at the interface of the missions of both departments and preferably aligned with pillars of excellence in the University of Utah Health Sciences and the Huntsman Cancer Institute. These include initiatives in neuroscience, cancer, diabetes and metabolism, and immunology, inflammation, and infectious diseases. Translational alliances with the University’s Cardiovascular Research and Training Institute (CVRTI), the Huntsman Mental Health Institute, and/or the Health Sciences Bioinformatics cluster are other possibilities.

The University of Utah offers unparalleled opportunities for interdisciplinary collaborations and actively encourages translational research with clinicians and scientists in its Health Sciences Center and The Huntsman Cancer Institute. Both Departments of Molecular Pharmaceutics and of Biomedical Engineering are among the most recognized departments with highly accomplished faculty in diverse areas of therapeutics and device-related research, and with a history of significant extramural funding and scholarly output.

Applications will be reviewed as soon as they are complete. For fullest consideration, materials should be received by December 31, 2022. Applicants should provide a cover letter listing names and contact information for at least three references, their complete curriculum vitae, research and teaching statements along with a diversity statement outlining experience, vision and philosophy for fostering an equitable, diverse and inclusive environment.
Applications must be submitted on-line at: https://utah.peopleadmin.com/postings/139784

Please attach the following documents to your application:
* Cover Letter (listing names and contact information for at least three references)
* Curriculum Vitae
* Research Statement
* Teaching Statement
* Diversity Statement

Inquiries may be directed to the Chair, Search Committee: You Han Bae, PhD, Distinguished Professor of Molecular Pharmaceutics at you.bae@utah.edu.

The University of Utah Health (U of U Health) is a patient focused center distinguished by collaboration, excellence, leadership, and respect. The U of U Health values candidates who are committed to fostering and furthering the culture of compassion, collaboration, innovation, accountability, diversity, integrity, quality, and trust that is integral to our mission.
EQUAL EMPLOYMENT OPPORTUNITY

The University of Utah values candidates who have experience working in settings with students, staff, faculty and patients from diverse backgrounds and possess a strong commitment to improving access to higher education, employment opportunities, and quality healthcare for historically underrepresented groups.

Individuals from historically underrepresented groups, such as minorities, women, qualified persons with disabilities and protected veterans are encouraged to apply. Veterans’ preference is extended to qualified applicants, upon request and consistent with University policy and Utah state law. Upon request, reasonable accommodations in the application process will be provided to individuals with disabilities.

The University of Utah is an Affirmative Action/Equal Opportunity employer and does not discriminate based upon race, ethnicity, color, religion, national origin, age, disability, sex, sexual orientation, gender, gender identity, gender expression, pregnancy, pregnancy-related conditions, genetic information, or protected veteran’s status. The University does not discriminate on the basis of sex in the education program or activity that it operates, as required by Title IX and 34 CFR part 106. The requirement not to discriminate in education programs or activities extends to admission and employment. Inquiries about the application of Title IX and its regulations may be referred to the Title IX Coordinator, to the Department of Education, Office for Civil Rights, or both.

To request a reasonable accommodation for a disability or if you or someone you know has experienced discrimination or sexual misconduct including sexual harassment, you may contact the Director/Title IX Coordinator in the Office of Equal Opportunity and Affirmative Action:

Director/ Title IX Coordinator
Office of Equal Opportunity and Affirmative Action (OEO/AA)
135 Park Building
Salt Lake City, UT 84112
801-581-8365
oeo@utah.edu

Online reports may be submitted at oeo.utah.edu

To inquire about this posting, email: employment@utah.edu or call 801-581-2300.
The University is a participating employer with Utah Retirement Systems (“URS”). Eligible new hires with prior URS service, may elect to enroll in URS if they make the election before they become eligible for retirement (usually the first day of work). Contact Human Resources at (801) 581-7447 for information. Individuals who previously retired and are receiving monthly retirement benefits from URS are subject to URS’ post-retirement rules and restrictions. Please contact Utah Retirement Systems at (801) 366-7770 or (800) 695-4877 or University Human Resource Management at (801) 581-7447 if you have questions regarding the post-retirement rules.

This position may require the successful completion of a criminal background check and/or drug screen and immunizations.
