

## **CHEMISTRY, UNIVERSITY OF UTAH.**

### **Tenure-Track Faculty Positions in Analytical Chemistry and Materials Chemistry.**

The Department of Chemistry at the University of Utah invites applicants for two (2) faculty positions in the areas of Analytical and Materials Chemistry. The positions are open to be filled at all academic levels: Assistant, Associate, or Full Professor.

A Ph.D. is required, and postdoctoral experience is highly desirable.

Successful candidates will be expected to develop a vigorous, internationally visible, and well-funded research program and exemplify effective teaching and mentorship to both undergraduate and graduate students. In addition, our department values candidates who have experience working with students from diverse and historically excluded backgrounds and possess a strong commitment to improving access to higher education.

Application materials should be uploaded in PDF format at:

<http://utah.peopleadmin.com/postings/95859>. Applicants interested in applying at the level of Assistant Professor should upload an application letter with vita, a description of proposed research, and arrange for three letters of recommendation to be sent on their behalf. Those interested in the levels of Associate or Full Professor should upload an application letter and vita.

Initial review of applications will begin on September 15, 2019 and continue until the positions are filled.

### **Benefits**

The University of Utah offers an exceptional array of benefit plans such as medical, dental, vision, retirement, tuition reduction, wellness programs, employee assistance, and generous leave policies. In addition to traditional packages, it also provides a range of family-friendly and cultural benefits in order to attract, support and retain the employees who continue to make the University of Utah a premier research institution. Please visit our benefits page at: <https://www.hr.utah.edu/benefits/>.

### **Experience Salt Lake City**

Salt Lake City is not only home to a beautiful mountain range that provides endless adventure, but is also filled with arts, culture, shopping, professional sports, and so much more! Enjoy year-round farmers markets, live concert venues (both indoor and outdoor), amazing restaurants unique to Salt Lake City, world-class shopping, and a diverse array of community events. With one of the lowest unemployment rates and more affordable housing, living your best life will only come naturally in Salt Lake City.

*The University of Utah is an Equal Opportunity/Affirmative Action employer and educator. Minorities, women, veterans, and those with disabilities are strongly encouraged to apply. Veterans' preference is extended to qualified veterans. Reasonable disability accommodations will be provided with adequate notice. For additional information about the University's commitment to equal opportunity and access see: <http://www.utah.edu/nondiscrimination/>.*
