

## **Vassar College**

### **Visiting Assistant Professor of Chemistry**

**Department:** Chemistry Department

**Duration of Position:** Academic year / Full time

**Position Type:** Faculty

**Posting Removal Date:** Open Until Filled

**Posting Number:** 1001577

### **About Vassar College**

Located in the scenic Mid-Hudson Valley, Vassar College is a highly selective, residential, coeducational liberal arts college. Vassar is strongly committed to fostering a community that reflects the values of a liberal arts education and to promoting an environment of equality, inclusion and respect for difference. Vassar College is an affirmative action, equal opportunity employer, and applications from members of historically underrepresented groups are especially encouraged.

### **Position Summary and Responsibilities**

Vassar College is an affirmative action and equal opportunity employer with a strong commitment to increasing the diversity of the campus community and the curriculum, and promoting an environment of equality, inclusion, and respect for difference. Candidates who can contribute to this goal through their teaching, research, advising, and other activities are encouraged to identify their strengths and experiences in this area. Individuals from groups whose underrepresentation in the American professoriate has been severe and longstanding are particularly encouraged to apply. Located in the scenic Mid-Hudson Valley, Vassar College is a highly selective, residential, coeducational liberal arts college.

The Department of Chemistry at Vassar College invites applications for a one-year Visiting Assistant Professor position to teach introductory chemistry beginning fall semester 2019.

Candidates for this position should have a PhD in chemistry or a related chemical field and a commitment to undergraduate education. The successful candidate should have experience in chemistry research and teaching, and the teaching load will be expected to include Vassar's introductory chemistry course, Chemical Principles, and the associated laboratory. Opportunities to conduct research with undergraduate students may be available.

### **Qualifications**

Candidates should submit a letter of application, a C.V., a statement of teaching experience and philosophy, a concise statement on diversity and inclusive pedagogy, graduate school transcript (an unofficial copy is acceptable for initial application), and two letters of recommendation. Additional information on the candidate diversity statement is found at <https://deanofthefaculty.vassar.edu/positions/candidate-diversity-statement.html>. The cover letter should clearly describe the candidate's ability to teach introductory chemistry. For inquiries, please email Joe Tanski, Chair, Department of Chemistry, [jotanski@vassar.edu](mailto:jotanski@vassar.edu).

Review of applications will begin March 15, 2019, and continue until the position is filled.
