The Department of Chemistry at William & Mary, a public university of the Commonwealth of Virginia, seeks applications for a tenure track position at the Assistant Professor level in Analytical Chemistry. Appointment will begin August 10, 2023. We are interested in individuals with research and teaching expertise in Analytical Chemistry or related fields.

Duties include research, teaching, and service to the University. The applicant is expected to establish and maintain a vibrant, externally funded research program that inspires a highly motivated undergraduate student body. There is also the opportunity to work with Master’s students.

Teaching expectation is 1 lecture and 1 laboratory course each semester. Successful applicants must possess the skills to teach compelling courses in Analytical Chemistry and other lecture and seminar-style courses, and to contribute to the general education (COLL) curriculum.

**Required Qualifications:** Applicants must hold a Ph.D. in Analytical Chemistry or a related field at the time appointment begins (August 10, 2023).

**Preferred Qualifications:** Previous experience in teaching and mentoring successful undergraduate research is preferred. Evidence of scholarly achievement or demonstrated potential as a scholar. Postdoctoral research experience is highly desirable.

**Special Applicant Instructions section:** Applicants must apply online at [https://jobs.wm.edu](https://jobs.wm.edu). Submit a curriculum vitae, a cover letter, a statement describing previous professional experience or future plans (or both) that demonstrate a commitment to diversity and inclusion, a statement of teaching interests, a statement of research interests and academic transcripts. You will be prompted to submit online the names and email addresses of three references who will be contacted by the system with instructions for how to submit a letter of reference.

For full consideration, submit application materials by the review date October 3, 2022. Applications received after the review date will be considered if needed.

William & Mary values diversity and invites applications from underrepresented groups who will enrich the research, teaching and service missions of the university. The university is an Equal Opportunity/Affirmative Action employer and encourages applications from women, minorities, protected veterans, and individuals with disabilities. William & Mary conducts background checks on applicants being considered for employment.
