

Tenure-track search, 2020
Inorganic Chemist

West Chester University of Pennsylvania Department of Chemistry seeks an **INORGANIC** chemist with a Ph.D. in chemistry at the tenure-track Assistant Professor level beginning Fall of 2021. Candidates will have demonstrated a strong background in chemistry through academic training and research. Applicants will submit a letter of interest, CV, undergraduate and graduate transcripts, three letters of recommendation, a statement of teaching philosophy, and a statement of research interests to the WCU NeoGov system ([agency.governmentjobs.com/wcupa/](https://www.governmentjobs.com/wcupa/)) by **December 1, 2020** for initial consideration. If necessary, potential candidates will be remotely interviewed. Successful candidates will be invited to the Department where they will interview with the Chemistry Faculty and CSM Dean. For complete details and requirements, see the NeoGov web site. West Chester University is an Affirmative Action/Equal Opportunity Employer. Women, minorities, veterans, and persons with disabilities are encouraged to apply.

For questions, contact Kurt W Kolasinski, Professor of Chemistry, at kkolasinski@wcupa.edu
